

RISHI VALMIKI ECO SCHOOL

Education | Environment | Enlightenment

VISION

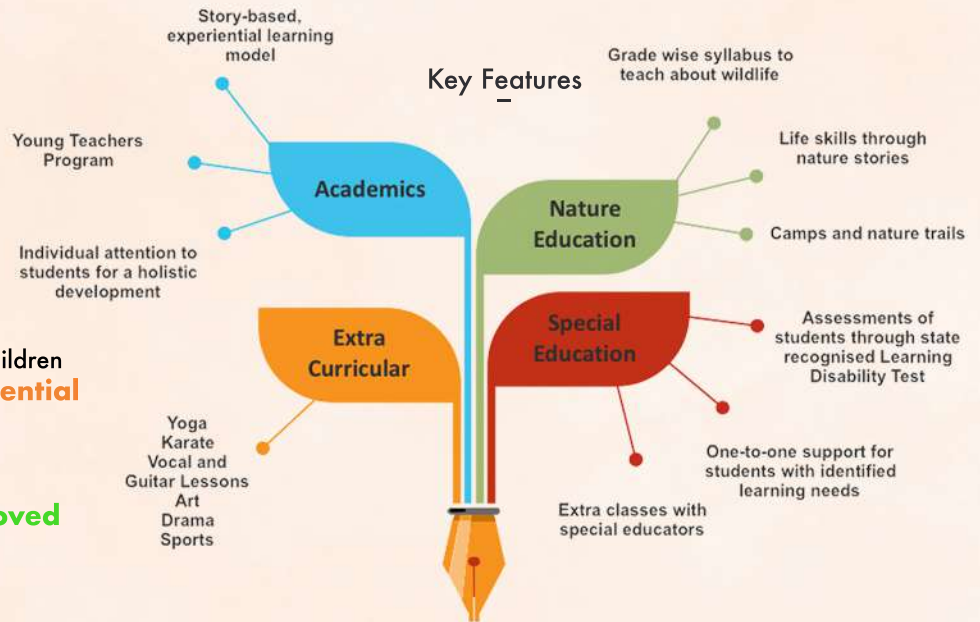

One day, each child receives quality education to reach maximum potential, lives in harmony with nature, and becomes future caretaker of the planet.

MISSION

To bring about holistic development in children through story-based & experiential curriculum, remedial program, nature education, and emotional support.

RVES is an english medium state board school working towards providing **quality education** to children coming from weaker socioeconomic backgrounds, since 2010.

We focus on **360° development** of children through excellent **Story-based & experiential curriculum**, **Nature Education** for **knowledge & Life Skills** a strong **Remedial Program** & various **extra-curricular activities for improved learning.**

The Impact
